

NEGRO NATIONAL BASEBALL LEAGUE

SPECIAL NOTICE BULLETIN

TO THE OWNERS

Dear Sir:

President Thomas T. Wilson just requested me to notify all owners of the Negro National League that player Jud Wilson of the Homestead Grays has been suspended for three (3) League games, and fined \$25, for striking umpire Phil Goshnell, and that the penalty is to go into effect IMMEDIATELY.

President Wilson also asked me to state that this penalty is very mild considering the nature of the violation, which he and the League will not tolerate, and stand ready to stamp out with severe action.

Any further report of unethical conduct concerning player Wilson, will result in the application of the most drastic step--unlimited suspension from Negro baseball.

Kindly be sure this is carried out to the letter of the order, and also talk to your managers, captains and players to safeguard against any similar situations throughout the future.

Thank you.

Sincerely,

Edward Gottlieb
